

Four identical men with beards and short dark hair are shown against a solid green background. They are all wearing black t-shirts and dark jeans. Each man is in a different pose: the first on the left is in a wide, low stance with hands on hips; the second is standing with one arm raised in a 'rock on' hand gesture; the third is in a similar low stance with hands near the knees; and the fourth on the right is leaning forward with one arm bent and hand near the face. The text 'DO NARYSOWANIA' is overlaid in the center in a bright pink, bold, sans-serif font.
